

# 700 SKYDECK

The new 700 SKYDECK comes as a successor to the Galeon yacht with the same name, acclaimed for its design and innovation yet they share little in common. The upcoming model brings a completely new approach to space distribution, several technological advances and even more luxury features on board.

The striking exterior presence and its dynamic profile are staples of the SKYDECK design philosophy which allows to integrate the top deck without compromising the sporty design of the model. For added functionality a

The SKYDECK feature is a staple of the Galeon yachts lineup, adding functionality without compromising the elegant design and sporty disposition of the models. The 700 also comes with a carbon bimini top option for even more customization.

lightweight, carbon bimini top option is available to better protect from the elements. Passengers will surely enjoy the wide side decks that allow safe access to the bow leisure area which will slide open with a touch of a button. Notice the glass sunroof above the helm station and large glass panels both port and starboard side that will quickly retract, opening up the whole saloon. The top deck is fitted with twin sport seats, wet bar and a generous seating area.

Come on board the 700 to experience the finest selection of materials and bespoke interior design options, meticulously finished by the best and most experienced Galeon craftsman. The layout of the main deck allows for two separate zones, with leisure and dining areas moved forward. Guests will appreciate the privacy of the dual staircases that give access to two, separate, sleeping areas down below. Four cabins and three bathrooms await, all with ample headroom and plenty of storage space.

A choice selection of powerful engines and top of the line navigational equipment awaits, along with a comprehensive list of additional options that will allow You to fully realize the yacht's potential. Come on board the new 700 SKYDECK and experience the future first hand!

**700 SKY - Carbon bimini**

The lightweight carbon bimini adds functionality without compromising the features or the sleek line of the 700.

# 700SKY

With the roof closed, the 700 offers a sleek, sporty look with a charismatic disposition

# 700SKY

Open up the SKYDECK to take advantage of the extra space and elevated driving position. Notice the bow rest area in the open setup

— With the roof closed the 700 SKYDECK is indistinguishable from a sporty hardtop model

— Select the optional carbon bimini top for extra protection on the top deck
