

# 325 *GTO*

## A NEW DIRECTION

Galeon makes a stunning entry into the outboard powered boat scene with their twin-engine, family weekend cruiser – the 325 model. Its sleek design features a spacious bow, central console, and a clever drop-down patio on the port side, perfect for fishing trips or leisurely outings. Crafted from lightweight carbon fiber, the deck and hardtop maintain strength while ensuring agility.

Stepping aboard, the central cockpit lounge welcomes with reversible backrests and easy access to a second L-shaped seating area and wet galley. Extend the SureShade awning, set up the table, and relish in open-air dining. The helm boasts electrically adjustable sport seats, advanced steering, navigation panels, a docking joystick, and the DPS virtual anchor system.

Moving to the bow entrance, the C-shaped seating embraces the starboard side, with fold-down armrests and an option for a dining table or additional mattress. Interior-facing speakers elevate onboard entertainment. Below deck, a hidden haven awaits with two guest areas and a well-equipped bathroom. The bow converts into a double berth, while the midship second cabin offers a generous double bed.

The 325 GTO's agility and predictability shine, complemented by a unique onboard layout and Galeon's signature design prowess. It's an exceptional choice for those seeking nautical adventures with a touch of luxury.

## GTO LINE

The 325 sets out to acquaint new boaters with Galeon's hallmark excellence – showcasing superior build quality, visionary design, innovative features, and remarkable performance that define our brand.

# 325 GTO

Flawless handling is a staple of this sporty day cruiser

The sunpad option over the stern provides extra space on board —

The lightweight carbon roof lowers the center of gravity —

**OPEN COCKPIT LAYOUT**

Twin outboards offer redundancy and maximum performance
