## A TRUE COMPETITOR

The 335 exudes a sporty demeanor that harmoniously matches its agile handling, accentuated by a captivating two-tone color scheme. This cruiser stands as a true benchmark, poised to gratify the cravings of performance enthusiasts regardless of atmospheric conditions.

Its dynamic silhouette is complemented by expansive glass expanses that grace the main deck, with luminous bow skylights and hull windows ensuring an interior suffused with natural light. Shielding the helm area is a retractable sunroof, swiftly adaptable for enhanced ventilation at the helm.

Step aboard to be greeted by the awe-inspiring expanse of the cockpit – the 335's crowning jewel. Three distinct leisure zones beckon, catering to every individual's preferences. Extend the aft-facing sun pad with a removable mattress, while the elevated

seat adjacent to the helm beckons companionship for the captain. The central leisure haven houses a well-equipped wet bar with a fridge and accommodates six with comfort. Not to be overlooked is the generous bathing platform, a standard feature that amplifies aquatic adventures.

Descending below deck, guests encounter a well-appointed galley boasting ample storage, alongside a bathroom complete with a separate cabin for the head and shower – a thoughtful touch for maintaining dry towels and toiletries. Both double cabins ensure privacy with full-sized doors and ample headroom where it matters most.

In the realm of the 335 HTS, an all-encompassing sport cruiser awaits, marrying spirited performance with accommodating living spaces, apt for daytime escapades as well as overnight sojourns.

## SPORT CRUISER LINE
