

# 360 FLY

## A STEP ABOVE

The 360 stands as a prized gem within the compact flybridge realm, winning the hearts of discerning yacht aficionados through its blend of practicality and value. Hosting up to ten passengers across three decks, this flybridge marvel comfortably accommodates six, making it an ideal companion for family outings and social gatherings.

The upper deck boasts a second helm station, offering unparalleled visibility, along with inviting seating and leisure spaces. A foldable Bimini top lends adaptability, shielding from excessive sun exposure. The main deck unveils an L-shaped sofa in the cockpit and twin bow sundecks, fostering a sense of adventure.

Smooth-sliding glass doors meld the expansive living area with the cockpit, creating an inviting social space. A six-person sofa and dining area grace the interior, complemented by a well-

equipped kitchen replete with storage. The main helm station provides exceptional visibility and convenience with sliding doors aiding mooring.

Venturing below, an unexpected delight unfolds: dual guest cabins and a commodious bathroom defy expectations. The choice between a midship cabin with an expansive berth or the skylit forward VIP area elevates comfort. Bunk beds serve the guest cabin, doubling as storage solutions. The bathroom's glass door separation maintains order, while standing-height ceilings enhance the cabins.

In the compact flybridge arena, the 360 FLY emerges triumphant, its exceptional space management and captivating design distinguishing it from competitors. A testament to ingenuity, it beckons maritime enthusiasts to a journey of unmatched pleasure.

### FLYBRIDGE LINE

A refreshing breeze into the compact flybridge category, the 360 reveals a clever interior layout featuring a trio of cabins below deck, complemented by an elegant living space on the main deck.
