

# 640 FLY

The 640 takes deck layout and space distribution innovation to unprecedented levels. The upper deck presents a complete bar, dual front-facing seating, and an expansive sundeck area featuring a generous U-shaped sofa. The carbon bimini, equipped with a retractable soft panel roof, provides sun coverage. Moving to the cockpit unveils one of the most capacious entertainment spaces in its class.

The Beach Mode impresses with balcony extensions widening the width to an impressive 7.4 meters, facilitating refreshment to both bars. The U-shaped cockpit settee, adaptable with a canvas for added privacy or for viewing TV on the concealed kitchen top screen, adds versatility. The aft hydraulic bath platform, grants easy entry to the skipper cabin. Innovative front entrance transforms the typically inaccessible bow into a hub with a convertible sundeck and seating area.

## THE GAME CHANGER

The main deck boasts an independent entrance to the master cabin and a distinct partition between the kitchen and the forward entertainment section. The dining space accommodates many and features an engaging pop-up TV on the opposing side.

Below deck, three distinct layouts offer private bathrooms for each of the three master cabins. Choose the midship super master, twin guest quarters, or the charter option with four cabins to accommodate extra berths - ideal for families or hosting overnight guests.

The 640 FLY truly stands alone, showcasing innovative space utilization, ingenious design elements, and a customizable interior that epitomizes bespoke luxury.

## FLYBRIDGE LINE

The 640 stands as a truly remarkable yacht, boasting unprecedented features and solutions that were once exclusive to custom designs. This transformative model leads the way, setting new standards and revolutionizing the entire segment.

# 640 FLY

Flawless handling, elegant design,
